**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am switching carriers because of the loss of net neutrality and AT&T's focus on products other than good internet access.

We need companies like Sonic to provide decent internet service to the individual user and maintain a competitive market in internet services.

The internet can be so much more than the replacement for broadcast TV. It has been struggling to become a portal for worldwide learning and communication.
